Why do you want to be a member of the Board?

As a long-time member, I am running for a position on the Board to bring a renewed commitment to governance, transparency, and fairness that genuinely prioritizes our members. My focus is on member-centered governance, and I am dedicated to fostering open, inclusive dialogue that acts in the best interest of all members, creating a club environment where everyone feels valued and represented.

With over 40 years of membership in the Springfield Tennis Club, I have served in various roles, including President, Vice-President, Maintenance, Social and Fundraising Coordinator, and Tournament Director. I have also volunteered as a convenor for the Lakeshore League for over five years. My experience extends to active involvement with the Credit Valley Tennis Club for more than 30 years and participation in social events and teams at the York Weston Tennis Club. During university, I served as President of the Political Science Association at Concordia.

In the broader community, I have been active as a Director for the Erindale Woodlands Association, Chair of a Parent Council, candidate for School Trustee, and President of a provincial riding association. Now retired from a career as a sales manager, I remain engaged in the community and am committed to the principles of common sense and fair play.

Since joining the Credit Valley Tennis Club over 25 years ago, my love for tennis and commitment to our community have only deepened, strengthened by the camaraderie among members. I am passionate about playing, connecting with others, and contributing to the Club's success. My professional background has provided me with skills in strategic planning, holistic thinking, and inclusive decision-making—qualities essential for effective governance. With a deep understanding of our Club's values and members' needs, I am committed to fostering open communication and collaboration so that every voice is valued. Looking ahead, I envision a thriving Club that continues to enhance its facilities and enrich the experience for all members.
