### WHY DO YOU WANT TO BE A MEMBER OF THE BOARD?

- I've been a member of Credit Valley since 2015.
- I bring board experience from both tennis clubs and my professional medical boards, having served on Membership Committees, COVID Committees, Social and Fundraising Committees, and Varsity Tennis Teams.
- I now have the time to dedicate to supporting and further developing the Club.
- Contributing to the community is very important to me, and I genuinely enjoy the camaraderie and atmosphere at Credit Valley Tennis Club.

### WHAT DO YOU BELIEVE YOU CAN ADD BY BEING A MEMBER OF THE BOARD?

- I have served on the membership committee at Queens Club for five years, representing members' interests and ideas while fostering a balanced environment that values everyone's input. I strongly believe in the importance of creating clear channels of communication and truly listening to members' input, as I see this as essential to building a positive experience for all.
- I bring a wealth of experience and knowledge as I have played on teams, leagues, and tournaments for over 40 years internationally and across Canada.
- Although I've participated in many tournaments, I am committed to maintaining a balance between individual member play and tournaments to ensure the club meets the needs of all members. Everyone has the right to enjoy Credit Valley Tennis Club, and I'm dedicated to supporting that for everyone.
- This summer, I had the honor of representing Canada at a tournament in Wimbledon with over 36 countries taking part, which provided me with plenty of fresh ideas and creative approaches for organizing tournaments in a way that is beneficial for the membership as a whole.
- For the past 20 years, I have represented Canada at the World Medical Tennis Championships in various countries, which has broadened my perspective and given me valuable experience and ideas. I'm eager to bring these insights to strengthen camaraderie and enhance the experience for our teams and tournaments.

- While serving on Varsity Teams, Tennis Clubs Committees, and Medical Boards, I have contributed to sponsorship and fundraising efforts to raise awareness and secure funds for various projects. I believe this experience can be extremely beneficial, allowing me to support similar initiatives effectively at Credit Valley Tennis Club.
- I have a lifelong passion for tennis, having played since I was 6. I'm eager to contribute, share ideas, learn from others, and help further develop Credit Valley Tennis Club.
