Do you have any board member experience? Yes (CVLTC Board & Condominium Board)

Why do you want to be a member of the Board?

I have been a member of the Credit Valley Tennis Club since 2018, and my enthusiasm has grown with each passing season. Needless to say, I love playing, discussing, and watching tennis. The thrill of the game, the strategy involved, and the camaraderie among players have been a source of immense joy for me. This passion has fueled my dedication to the Club and my desire to give back to the community that has given me so much. This has motivated me to volunteer my time and expertise, with the hope of maintaining and enhancing these experiences for others.

What do you believe you can add to the Club by being a member of the Board?

Over the past two seasons, I have had the privilege of serving on the Board, starting as Secretary in 2023, and advancing to Vice President in 2024. Following the resignation of the 2024 President, I received unanimous support from the remaining Board Members to step in as interim President. This decision was grounded in my strong sense of responsibility, solution-oriented optimism, and comprehensive understanding of fiduciary duties.

Additionally, my professional background as an architect has equipped me with the skills to think systemically, plan strategically, and consider diverse perspectives—qualities that are essential for effective governance. Moreover, my long-standing membership and enthusiasm for the Club give me a deep understanding of its values and the needs of its members. I am passionate about maintaining and enhancing the community spirit that makes the Credit Valley Tennis Club special. By fostering open communication and inclusive decision-making, I aim to ensure that all members feel heard and valued.

Ultimately, my goal is to build on our achievements and work collaboratively to address any challenges, and necessary updates to policies and procedures, ensuring that the Club continues to thrive and provide enriching experiences for everyone involved.

Do you have any of the following experience?

- Administration Finance Fundraising Social Media Sponsorships
Event Planning Handyman IT League / Tournament Program Planning

I confirm that I do not have a conflict of interest or potential conflict that will be a hindrance in joining the Board of Credit Valley Tennis Club.
